—Parties wishing letter heads, note books, bill heads, statements, blank notes or receipts, due bills, calling cards, envelopes, shipping tags, bills from a small dodger to a mammoth poster can get them at this office. Work done with neatness and dispatch. Best of stock used. Give us a trial.

—Give the printer fair play. Do not forget that it costs something to puff as well as advertise; never sponge upon a printer. It is the printer's ink that makes nine-tenths of our fortune. It takes money to buy ink, type and paper and yet after all this, few are the thanks the printer gets. Daniel Webster was right when he said of the press: "Small is the sum required to patronize a newspaper; amply rewarded is its patron. I care not how humble and unpretending is the gazette which he takes; it is next to impossible to fill it out without putting into it something that is worth the subscription price."

—On Thursday last a number of scholars and parents of this place assembled by appointment at the school house to commemorate the birthday of one whose excellent virtues and noble deeds will long be held worthy of commemoration, as the father of this republic. The speakers on this occasion were, Rev. O. B. Clark, S. G. Bettis and A. J. Holmes. Mr. Bettis acting in the capacity of chairman. They each delivered an address both appropriate and instructive. The chairman then arose to close the meeting and concluded by requesting the children to tell him if he should ask them what was the difference between George Washington and himself, what reply they would make? One urchin in the congregation spoke up loudly and said "George Washington never told a lie." At that moment a wild-eyed chairman might have been seen making for the hole that the carpenter left and out into the wide world alone amidst the patriotic cheers of the patriotic assembly.

## The Fair Meeting.

The first annual meeting of this society which was held on Feb. 6th and adjourned until the 27th inst., was attended with universal success. After hearing the secretary's and Treasurer's reports of last year's fair the present year proceeded to elect officers for the ensuing year of which the following is a correct statement:

PRESIDENT—John Wark.  
VICE-PRESIDENT—J. H. Hydeman.  
SECRETARY—C. R. Holden.  
TREASURER—Marty Monerney.

**DIRECTORS FOR ONE YEAR.**  
J. C. McKenna, Brockway.  
Elmer Putney, Speaker.  
Robt. Jones, Maple Valley.  
John Mitchell, Fremont.  
John Houston, Lynn.  
Patrick Quinn, Grand.  
Wm. Black, Greenwood.  
John Gardner, Clyde.  
Richard Newkirk, Kenosha.  
Duncan McKeanie, Emmett.  
G. W. Bell, director at large.

The society intend taking immediate steps to purchase the land for the fair ground and make improvements such as are needed on the same. This looks more like business and we feel confident that the farmers will all join in and make a universal success of the fair hereafter. Seeing this to be a permanent enterprise all should encourage it.

## The Masonic Supper.

A Grand Success in every particular—250 people present—\$10 net proceeds.

The supper and entertainment given by the Masonic Fraternity in Duffie's hall on Thursday evening, Feb. 22nd was one of pleasure as well as profit to all who attended. The supper was gotten up in fine style and those who had the matter in hand deserve credit for getting it up in such shape. The entertainment part of the evening proceedings was both interesting and instructive. The Brockway choir opened by singing and were followed by prayer by Rev. A. J. Holmes.

The Brockway Centre choir then sang and next came the poem composed for the occasion by Mrs. H. F. Leonard, who did splendid in composing as well as reading it. We are not able to make personal comments on the singing done by the members of the Brockway choir on account of not knowing all the parties belonging, but will say this much that they have innate talent and under the supervision of C. W. Stratton, who understands music thoroughly they are advancing rapidly since we last heard them. Miss Creighton recited the Scotch poem "The Laird o' Cockpen," in a very creditable manner as well as "The Drunkard's Grave." Miss M. Rappley sang "The midnight fire alarm" in her usual excellent style. The recitation entitled "He would be a mason" by Miss Utley brought forth considerable applause. Mrs. Leonard brought the house down with her side-splitting reading entitled "The Bumper Degree." The home choir sang "We all have a very bad cold," in an able manner. The entertainment was satisfactory to all who attended and another gotten up in the future an extension will need to be made to Duffie's hall in order to hold the crowd.

**FOR SALE OR TO RENT**—My house and lot on Kenning street on reasonable terms. Will also sell all my household goods at a bargain.

J. F. HOLDEN.

**FOR SALE**—The property lately purchased by Al Sischo of G. W. Waring in the village of Brockway Centre. For further particulars call on or address Al Sischo, Brockway Centre.

**When a Cure is Guaranteed.**  
Why will we refuse to be relieved of that cough which is choking up business, eating on your lungs and to cause you many a suffering day and sleepless nights? Your children are liable to be taken with Croup and die before a doctor can be summoned. Be wise and obtain a remedy that will not fail to give relief from coughs, colds, croup, whooping cough and all other Lung Difficulties. Hamilton's Cough Syrup will do it and cost but a trifle. Price 25 and 50 cents per bottle. Sold by C. A. Wells & Co.

**Toothache.**  
Money is a great cure for aching heart, but a twenty dollar gold piece placed on an aching tooth does not seem to have the least effect. In fact, nothing is more sure than Hamilton's Toothache Drops, which are warranted to cure in one minute. Price only 15 cents. Sold by C. A. Wells & Co.

**What 10 Cents Will Do.**  
By calling at F. A. Baker's drug store, you can get a sample bottle of Dr. Bosanko's Cough and Lung Syrup which will relieve the most obstinate Cough or Cold, and show you what the regular 50-cent size will do. When troubled with Asthma, Bronchitis, Dry Hacking Cough, Pains in the Chest, and all diseases of the Throat and Lungs, try a sample bottle of this medicine.

**NOTICE**—Whereas my wife Laura Temple has left my bed and board without just cause or provocation, this is to notify all persons not to trust her on my account as I will pay no debts of her contracting after this date.

Wm. H. Temple.

Brockway Centre Feb. 25th 1883.

## Consumption.

Cough, Cold, and Sore Throat Diseases often develop into Consumption, Sore Throat, Consumption, and should have immediate attention and be relieved in the first steps. But only reliable medicine, that will, is liable to do it—Hamilton's Cough Syrup, which relieves Coughs and Bronchitis, cures the asthma, the clear. Warranted to give satisfaction. Price 25 cents per bottle. Sold by C. A. Wells & Co.

The following is the list of letters remaining unclaimed for in the Brockway Centre post office since Feb. 1st:

Miss Mary C. Nelson, Catharine Palmation, Mrs. Jessie Wilson, Maria Taylor, Saml W. Shummond, John Tomby, Thos. W. Goss, Robt. Cloughall.

O. P. CHAMBERLIN, P. M.

## CONSUMPTION.

It is said that 50,000 people die annually in the United States alone from this disease. In some sections of the country one death in every three is from Consumption. This can be, and should be avoided; our people are too careless about an ordinary cough or cold, and other symptoms of throat and lung affections that lead to this disease. You should arrest it while it is in the germ. Two or three doses of Dr. Bosanko's Cough and Lung Syrup will relieve an ordinary cough or cold. It does not dry up a cough like many preparations on the market and leave the disease behind it, but acts directly on the throat and bronchial tubes, removing all the phlegm and morbid matter that accumulates in the throat and lungs. It allays all irritation, and renders the voice clear and distinct. Sold by F. A. Baker.
